Re: Application of Timothy P. Oliver for the Approval of the Consolidation of Utility Systems, an Umbrella Bond and Conforming Rates for Customers in Wyboo Pointe and Haynesworth Mill
Docket No. 2007-234-WS and 2007-107-W

Dear Ms. Boyd,

This letter is to confirm that the Office of Regulatory Staff does not have any continuing concerns or objections in either of the two above referenced dockets in light of the settlement agreement entered between ORS and the Applicant Mr. Timothy Oliver in PSC Docket No. 2007-234-W/S. Specifically, the bonding issue which ORS raised in docket 2007-107-W concerning Sigfield Water has been resolved through Mr. Oliver's consolidation of his water systems and the terms and conditions regarding that consolidation which he has agreed to in the aforementioned Agreement.

Should you have any questions or concerns regarding this matter, please contact me at your convenience.

Yours Truly,

Jeffrey M. Nelson
